PRESS COMMUNIQUE No.27, DATED 25TH NOVEMBER, 1946.

Rent Reduction Act - Rules issued under sections 3(4) and 7 - Extension of time allowed to landholders - Amendment to rule.

---

The Rule 10 of the rules issued by the Government under

P.T.O...

sections 3(4) and 7 of the Madras Estates Land (Reduction of Rent) Act, 1947 provides that every landholder shall, not later than two months from the date of publication of those rules in the Fort St. George Gazette, submit a statement furnishing certain particulars to enable the Collector of the District to determine and collect the rent due to the landholder from the ryots in his estate. Representations have been made to the Government that the period of two months specified in this rule is insufficient, and that more time should be granted to enable landholders to furnish the required particulars. The Government have examined the question carefully. They consider that it is sufficient if the Collector is empowered to grant extension of time on application by the landholder according to the merits of each case. An amendment to the rules to this effect is being notified separately.
